PROJECTS

Queen Drinks Alone

[Current]

"Queen Drinks Alone" is a mobile application created in **Xamarin.Forms**. The app is now available worldwide on the Google Play Store. It is a facetious app, created to acquire experience in mobile development and publishing a mobile app.

HOBBIES AND INTERESTS

Video games

I have been an avid gamer since I was a child, spending my time playing a range of videogame genres - mostly MMORPG games such as World of Warcraft where I have come to speak and understand the English language at an advanced level.

Movies

TV Shows

Technology

Smart devices such as phones, TVs, but also monitors, PCs and PC components.
